

## \$500 REWARD WAS OFFERED FOR GERONIMO

### Story Recalls Merciless Deeds of Indian Chief and His Renegade Followers

In the Arizona Silver Belt, published at Globe on October 19, 1885, the following appeared. The story will serve as a reminder of the trying times and dangers encountered by the pioneers of this county:

"The board of supervisors of Cochise county met and in the matter of reward for the hostile Indians, the following resolution was adopted: 'Whereas, the Chiricahua Indians, whose chief is known as Geronimo, with his renegade followers, have been committing numerous murders of citizens of Cochise county, to wit: W. A. Daniel in the Mule mountains; Mike Noonan, in the Dragmoons; and others; therefore it is resolved that the sheriff of Cochise county be authorized to offer a reward of \$500 for the apprehension dead or alive, of Geronimo, and \$250 for the apprehension, dead or alive, of any one of Geronimo's renegade band of Indians, who have been engaged for him in his murderous raids throughout the above rewards must be made by some person or persons not in military service of the United States.'"

William Daniels was constable of the Bisbee district at the time he met his death. He had gone out in

### YOUNG PEOPLE'S SOCIAL IS DELIGHTFUL AFFAIR

The young people of the Presbyterian Christian Endeavor Society last Tuesday evening enjoyed one of the most delightful socials of the season at the home of Miss Bertha Scofield in Tombstone Canyon. Miss Beatrice McKay acted as hostess for the evening. Music and games were enjoyed, after which refreshments were served. All young people of the district who are not affiliated with any other church, are cordially invited to join the society which holds its regular meetings every Sunday evening at 6:30 in the church, preceded by a 15-minute prayer service.

In the vicinity of the Forrest ranch now on the road to Douglas to watch out for the Indians who were reported headed this way after they had killed Noonan in the Cochise Stronghold. He was on top of a knoll near that ranch and had started back down to the road when he was ambushed. The Indians had seen him on the knoll and he had not seen them.

Noon was killed as he came out of his ranch door in the Stronghold canyon. The Indians had it in for him as he had had several battles with them and killed one or two of their braves. His body was badly mutilated full of knife holes and then rolled in the blood and feathers of his pillows. He was also scalped.

After this raid Geronimo and his band were chased into Mexico by a posse of Cochise county citizens and he was captured by General Crook and Lieutenant Lawson. This was his last raid.

"THE CRIMSON CORD" is the theme of Pastor Garnett's sermon tonight. It is the third in the series on Christian Fundamentals.

## LOCAL DRIVER TOURS THROUGH ARIZONA WILDS

### Owner of Studebaker Big Six Declares He Got 14,000 Miles on Rubber

C. W. Cromwell, of Warren, driving a Studebaker big six, recently made a trip of 1,700 odd miles into the wilds and fastnesses of the northern part of the state, visiting Oraibi and Hotaville, and taking the famous snake dance of the Hopi Indians. Cromwell reports that 250 miles of the journey were made over very heavy sandy roads and that about a hundred miles more were in a very indifferent condition.

Cromwell has owned his big six more than two years and a half and he declares, that during the entire trip he had no trouble whatever as far as his means of transportation was concerned. Relating his experiences in the salesroom of the Bisbee Auto Company, local dealers for the Studebaker, he proudly boasted that he had done 14,000 miles on his present set of rubber, and, speaking of performances, he declared the Indians snake dance had nothing on his Studebaker Big six.

## Nominate Douglas as Candidate in Jerome District

Prescott and Jerome papers bring the news of the nominating of Lewis Douglas as the democratic candidate for the legislature from the Jerome district. Mr. Douglas is the son of Mr. and Mrs. J. S. Douglas of Douglas and was a professor in Princeton college when his country entered the world war. He served in France and was promoted to a lieutenant before the war was over.

Soon after returning from the war Mr. Douglas was married in New York and brought his bride to Jerome to become a permanent citizen of Arizona. He built a home in Jerome and considering his short residence there his nomination by the democrats for the legislature would indicate that he has become popular in that legislative district.

## Syrup Pepsin Helps Nature Give Relief

Try it when a Laxative is needed and see the wonderful results

IT is not necessary to take a violent physic for so simple an ailment as constipation. Yet many thoughtful parents give mercury in the form of calomel, and coal-tar in the form of phenol when a natural vegetable compound like Dr. Caldwell's Syrup Pepsin will do the work equally well and without danger. People should realize that mercury may salivate and in certain conditions loosen the teeth; that phenolphthalein, by whatever name known and how ever disguised in candy, may cause dermatitis and other skin eruptions; that salt waters and powders may concentrate the blood, dry up the skin and cause lassitude.

You can take Dr. Caldwell's Syrup Pepsin yourself or give it to a babe in arms, as thousands of mothers do every day, with the confidence that it is the safest and best medicine you can use for constipation and such complaints. A teaspoonful will relieve you over night even if the constipation has been chronic for

### ANY FAMILY MAY TRY IT FREE

Thousands of parents are asking themselves, "Where can I find a trustworthy laxative that anyone in the family can use when constipated?" I urge you to try Syrup Pepsin. I will gladly provide a liberal free sample bottle, sufficient for an adequate test. Write me where to send it. Address Dr. W. B. Caldwell, 515 Washington St., Monticello, Illinois. Do it now!

years. Dr. Caldwell's Syrup Pepsin is a compound of Egyptian senna and pepsin with pleasant-tasting aromatics, and does not cramp or gripe. Every druggist handles it, and bottles are so generous that the cost amounts to only about a cent a dose. You buy it with the understanding that if it does not do as claimed your money will be refunded. The names of all the ingredients are on the package.

Mrs. A. Arceneaux of Orange, Texas, suffered from constipation for six years and found no relief until she took Dr. Caldwell's Syrup Pepsin; and Mrs. Gus Anderson of Ball, Kans., corrected her bowel trouble so that she now eats and sleeps normally. Bring a bottle of Dr. Caldwell's Syrup Pepsin into your own home and let the family use it for constipation, biliousness, wind, gas, headaches, flatulency, and to break up fevers and colds.
